Neither of the parties has given any warranty or made any representation to the other party, other than any warranty or representation which may be expressly set out in this Agreement.
- 20.2 **Anti-bribery and Corruption.** The Customer shall comply with the Business Integrity Policy and any other Supplier policies provided to the Customer from time to time.
- 20.3 **Force Majeure.** Neither party shall be liable for any failure or delay in performing its obligations under the Agreement to the extent that such failure or delay is caused by a Force Majeure Event. If the Force Majeure Event shall continue for more than 60 (sixty) consecutive days, the Supplier will be entitled to cancel this Agreement on the expiry of such period.
- 20.4 **Assignment and Subcontracting.** The Supplier may at any time assign, transfer, charge, subcontract or deal in any other manner with the Agreement, or any of the rights or obligations under it. The Customer may not assign, transfer, charge, subcontract or deal in any other manner with the

Agreement, or any of its rights or obligations under it, without the prior written consent of the Supplier.

If any provision or part provision of the Agreement, which is found to be invalid, illegal or unenforceable in accordance with this Clause, would be legal, valid and enforceable if some part of it were deleted, the provision or part provision in question shall apply with the minimum modification necessary to make it legal, valid and enforceable.

- 20.7 **Waiver.** A waiver of any right or remedy under the Agreement is only effective if given in writing. No failure or delay by a party to exercise any right, power or remedy provided by the Agreement or by law shall constitute a waiver of that or any other right, power or remedy, nor shall it preclude or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy. If a party waives a breach of any provision of the Agreement, this shall not operate as a waiver of a

subsequent breach of that provision, or as a waiver of a breach of any other provision.

- 20.8 **Third Party Rights.** The Agreement is not intended to be for the benefit of, and shall not be enforceable by, any person who is not a party to the Agreement under the Agreements (Rights of Third Parties) Act 1999 or otherwise, save that any member of the Group may enforce and rely on the terms of this Agreement to the same extent as if it were a party.
